INT. GARAGE - DAY

SUMMER enters from the house.

SUMMER
Grandpa where are you now?

The lid from RICK's basement pops up as RICK drags MORTY out from beneath.

RICK
Shhhhhh...

RICK gives the signal that he has recently BLOWN MORTY's MIND.

SUMMER
(whispers)
What happened this time?

INT. KITCHEN - DAY - CONTINUOUS

RICK drags MORTY through the kitchen telling SUMMER...

RICK
Long story.

INT. SMITH LIVING ROOM - DAY - CONTINUOUS

RICK finally gets MORTY onto the end of couch and turns on the TV.

SUMMER taps her foot impatiently.

SUMMER
I'm waiting.

RICK
For what? A friend who doesn't want to fuck your father?

SUMMER
No. Well, yes, but...
Damn it! Why did you blank him this time?

RICK
Sshhhh...
Sit down, be quiet, and maybe I'll tell you the story.

CONTINUED

SUMMER sits down on the couch next to MORTY.

MORTY mumbles in his slumber...

MORTY

Jessica...

SUMMER scoots over to the other end of the couch.

SUMMER

(whispers)

What's the story?

RICK

Okay, story time with grandpa Rick.

(turns to the camera)

And we'll be doing this instead of
Morty's Mind Blowers,
Interdimensional Cable, or anything
else you've seen.
